

THE STREET PERFORMERS

HERBIE TREEHEAD - Unhindered by reality, this cult figure creates his outrageous one-man performance extravaganza out of nothing.

GRANNY TURISMO - Listen for the screech of burning rubber as Mary, Marge & Gladys return with their shopping trolley dance routines.

FIGO - An eclectic mix of weird stunts and comedy.

PETE ANDERSON - Stylish, articulate and genuinely funny whilst performing on an unsupported ten foot ladder.

JASON MAVERICK - Extraordinary street juggling plus robotic dance, comedy and mime!

WILF KEYS MAGIC - His tricks are deft and full of surprises.

THE LOLLIPOP LADY - With her slippery grip on reality is she here to help or hinder?

BUSY LIZZY - The delightful flower lady brings a smile to everyone's faces.
